Dear Family, Your child is learning to read new words by asking, "Does this word make sense here?" and "Does it sound right?"
Sometimes, you can figure out a new word from the other words in a sentence. You can ask yourself, "Does the word make sense?" "Does it sound right?" and "Does it look right?"
Example: The weather is cold, wet, and foggy.
You already know the words the, is, cold, wet, and, and foggy . You can guess weather .
Remember to ask:
